

**CAMPUS-SUPPORTED LEARNING MANAGEMENT SYSTEM POLICY**

---

**Category:** Computing and Instructional Technology  
**Responsible Office:** Chief Information Officer

**Date Established:** 05/18/2015  
**Date Last Revised:** 1/28/2020  
**Date Posted to Library:** 05/19/2015

---

**POLICY SUMMARY**

This policy describes use of Learning Management Systems.

**POLICY**

**Policy Statement**

The campus-supported learning management system (LMS) is the only authorized LMS for credit bearing course delivery to SUNY Buffalo State students. Use of an alternative LMS may be approved by the CIO provided the product meets SUNY standards regarding accessibility, data privacy and security, and campus standards with respect to student identity verification.

**Background**

The campus learning management system is an important channel of communication for students and faculty. Use of an unauthorized LMS may be in violation of other campus or SUNY policy and/or federal law. The campus has implemented a standard, supported LMS in order to ensure that faculty and students will have:

- secure access to course materials and grades (authenticated with campus-assigned credentials),
- a reliable tool for course-related communication,
- a platform for providing ADA-compliant course materials,
- a mechanism for controlling access to copyright-protected course materials, and
- an alternative to on-campus class sessions in case of pandemic or other campus-wide emergency situation.

**Applicability**

This policy applies to all faculty and staff.

**Definitions**

Campus-Supported – SUNY Buffalo State provides approved infrastructure, integration, training, and support.

Learning Management System (LMS) – An LMS is a software application for the administration, documentation, tracking, reporting and delivery of electronic educational technology, courses or training programs.

Accessibility - In the case of a program or activity, readily usable by a particular individual, with or without alternate formats; in the case of the web and electronic resources, accessible with or without the use of assistive technology.

**Responsibility**

**Who should know this Policy**

## Campus-Supported Learning Management System Policy

- Deans, associate deans, department chairs, faculty, instructional designers, and staff in Continuing Professional Studies
